Operations Update

Tango – Emily needs to talk to Rian

Natagar – Megan McCarron is going to take him on a trail basis to see if things are ok with her horse. If so, she will be adopting him. Caroline was asked if she wanted and she cannot adopt since she is still in school. He leaves this Sunday.

Honey – has not been adopted yet, need to send Erin the paperwork.

Lozen – Paperwork signed by Ann

Smoke – Elena needs paperwork sent to her for adoption

Hedy – a question was raised as to what happens with her sponsorship at the end of the year. Either Saraya adopts her or she goes back to being available for adoption. The goal is for Saraya to obtain a sponsor that will help her with the adoption and stall fee every month.

Jake/Tammy – Verbally returned to PFF – she has not signed the paperwork

Shane - Paperwork given to CeCe for sponsorship and then future adoption

Barry – newly donated horse from Boyd Martin

Both of these horses would fall under the IRS donation requirement of a certain amount and would require that they not be adopted for a certain period of time. Cece will sponsor Shane during that time until she can adopt.

Emily would like to promote and thinks it would be great for us since it's Boyd Martin. Megan did raise some concerns with promoting too much and remembering to keep to our mission.
